

## Figure geometriche

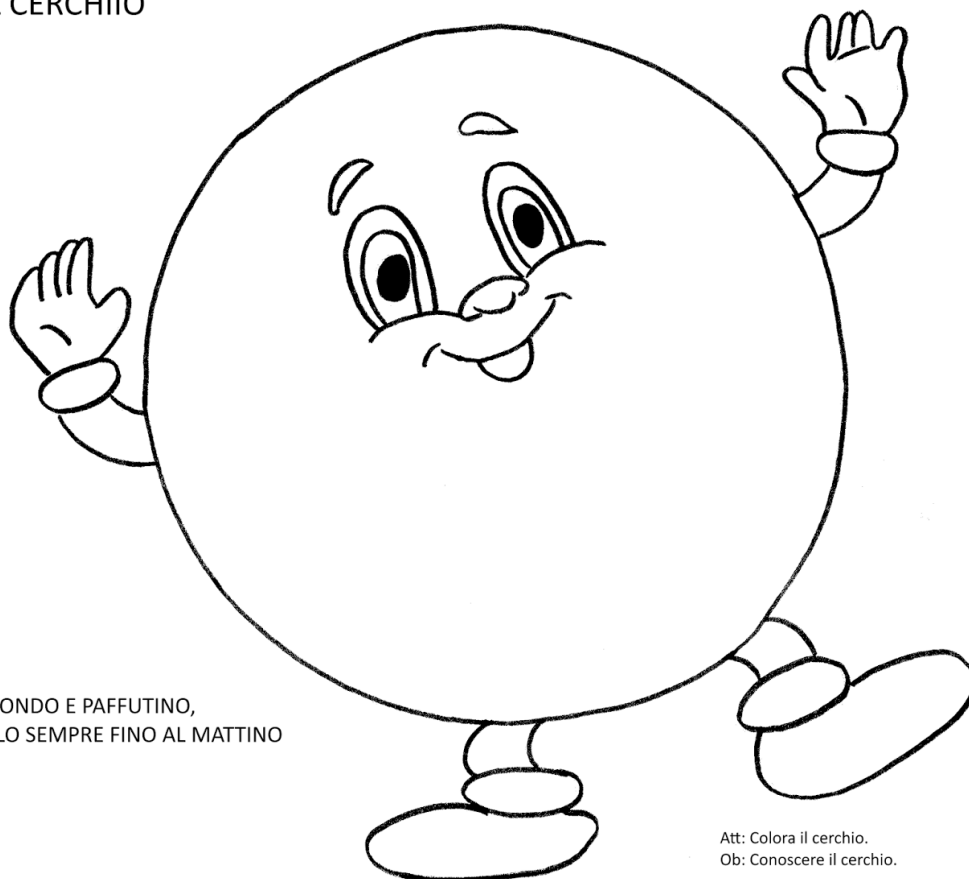

Son quadrato e son perfetto,  
assomiglio a un fazzoletto,  
se mi allungo un pochetto  
faccio un bel rettangolino.

Triangolo mi han chiamato,  
da tre punte son formato,  
sono un poco spigoloso,  
ma non son pericoloso.

Sono un cerchio e son rotondo,  
giro spesso nel bel mondo,  
giro in tondo in bicicletta  
con l'auto o la motocicletta.

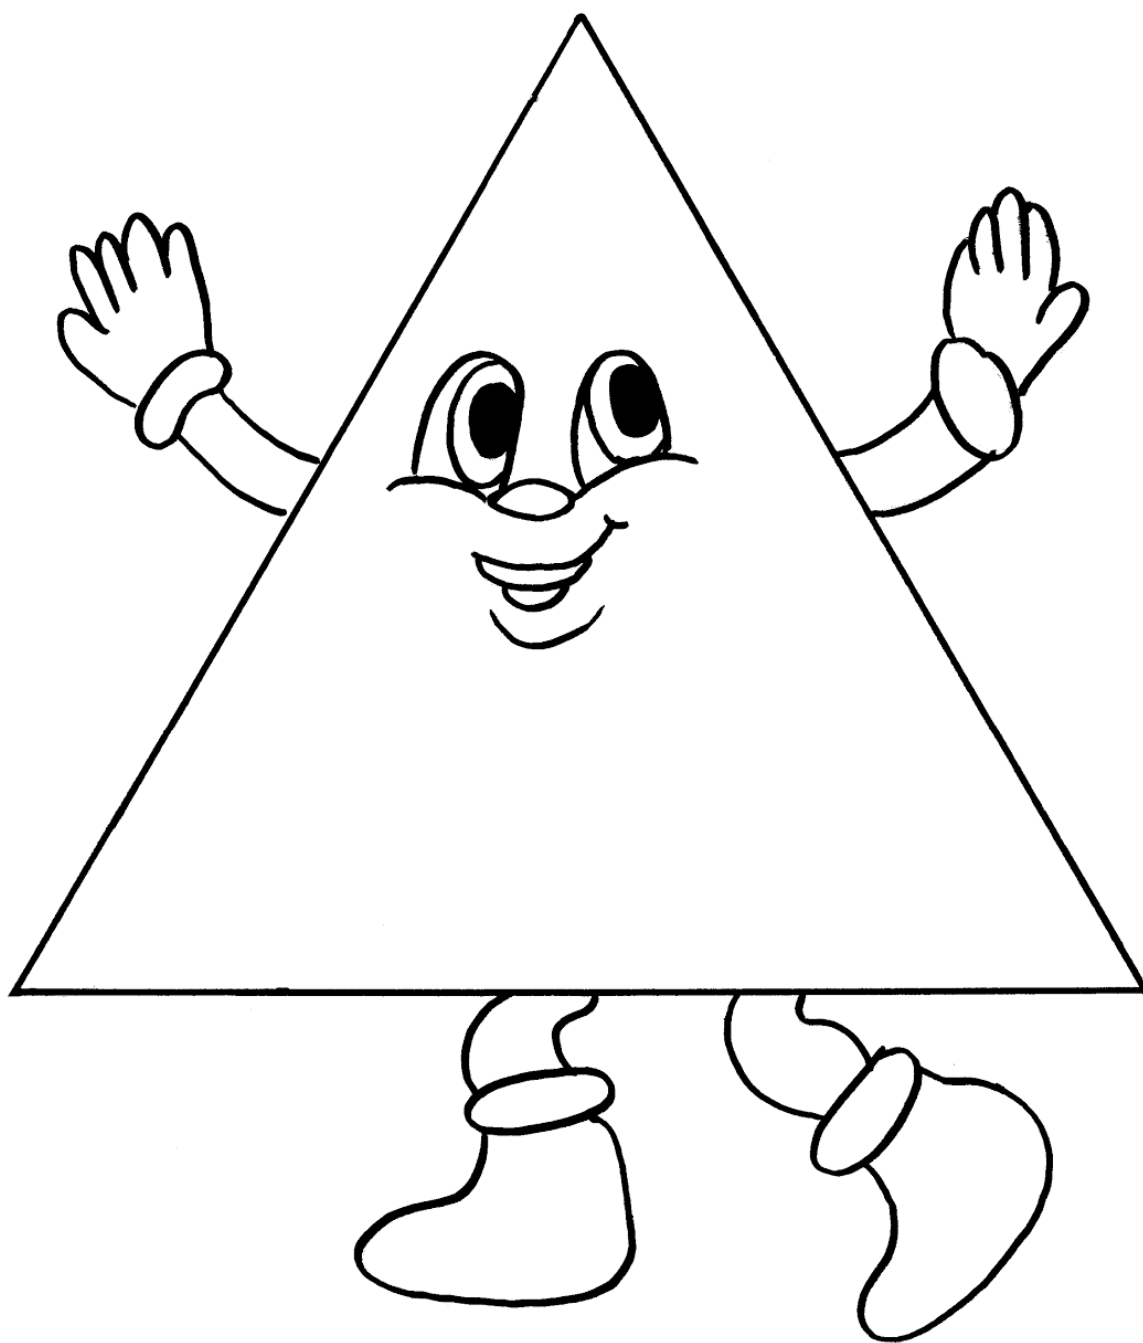

## IL CERCHIO

SON TONDO E PAFFUTINO,  
ROTOLO SEMPRE FINO AL MATTINO

Att: Colora il cerchio.  
Ob: Conoscere il cerchio.

## IL TRIANGOLO

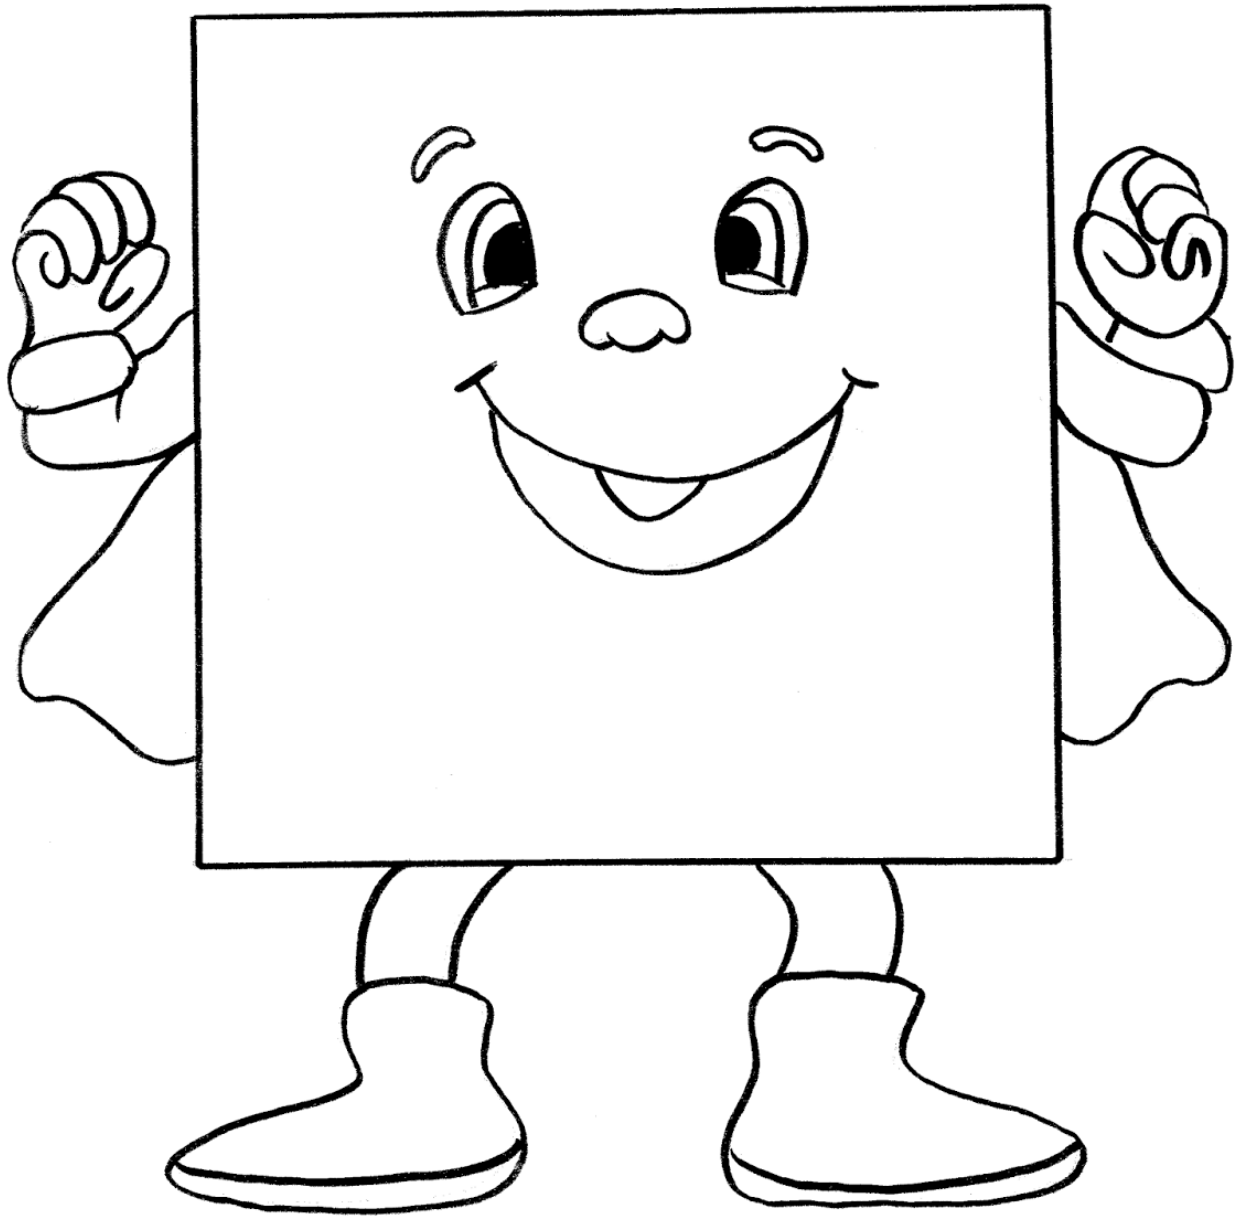

UN TRIANGOLO IO SONO, PUNGO SOLAMENTE UN POCO!

Att: Colora il triangolo.

Ob: Conoscere il triangolo.

## IL QUADRATO

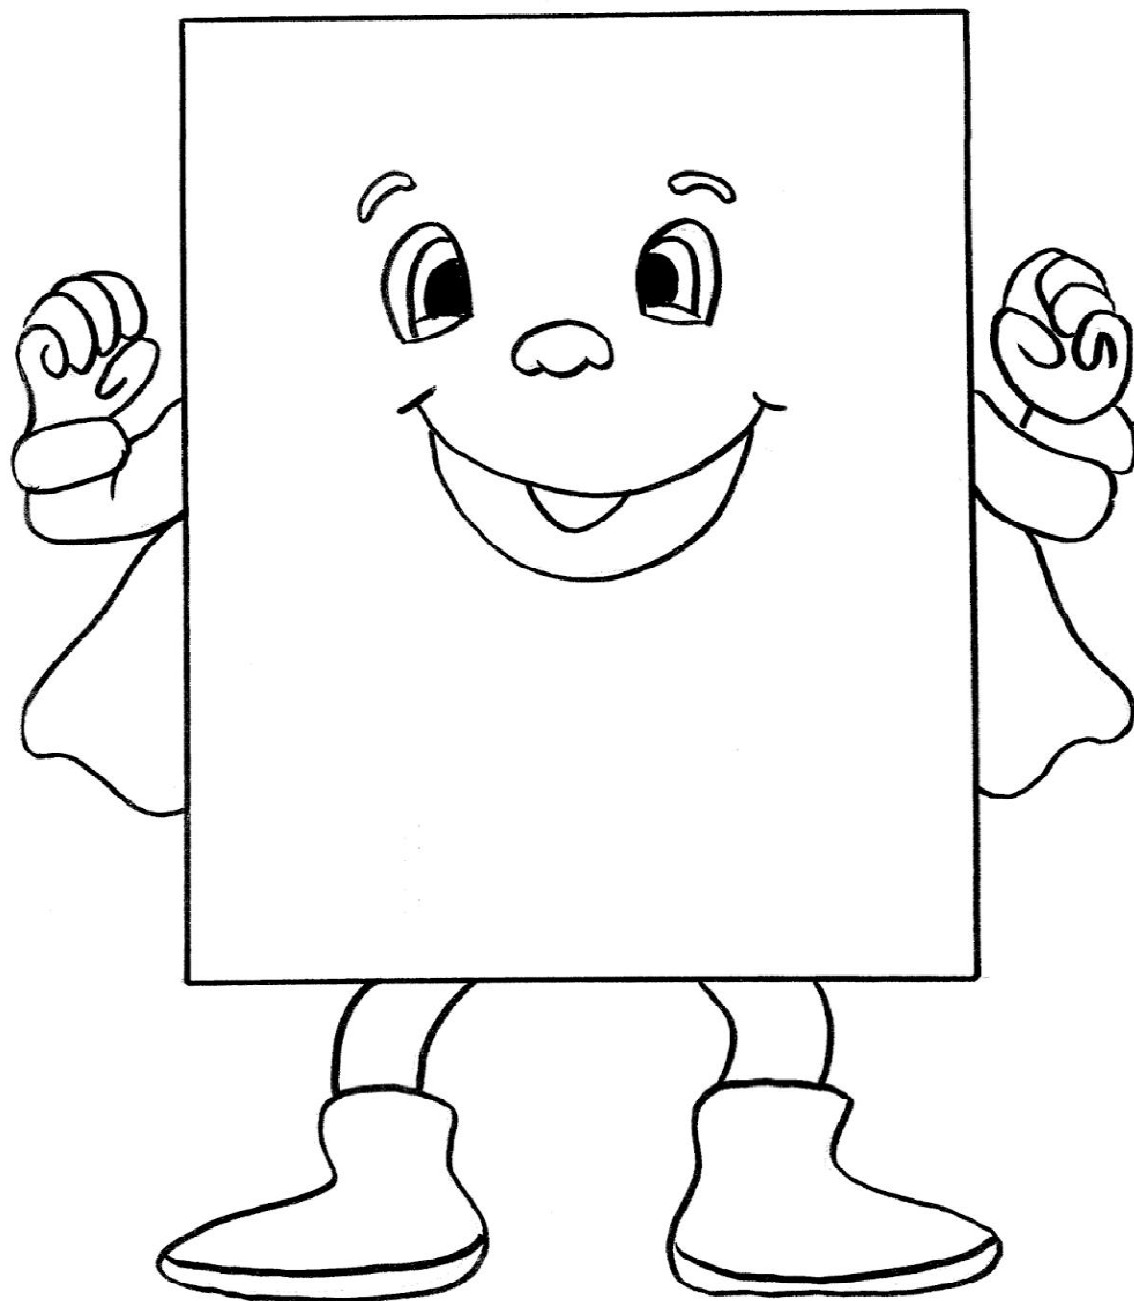

SON QUADRATO, SON PERFETTO E NON HO NESSUN DIFETTO!

Att: Colora il quadrato.

Ob: Conoscere la forma quadrata

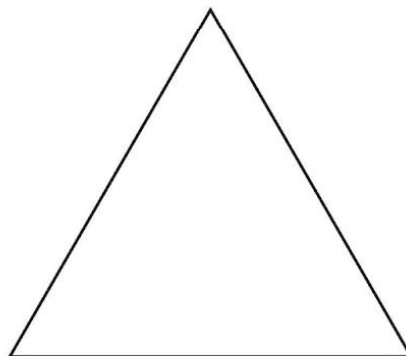

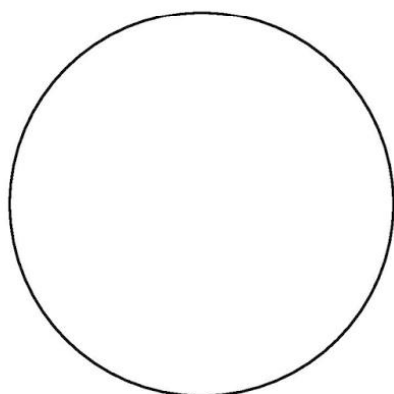

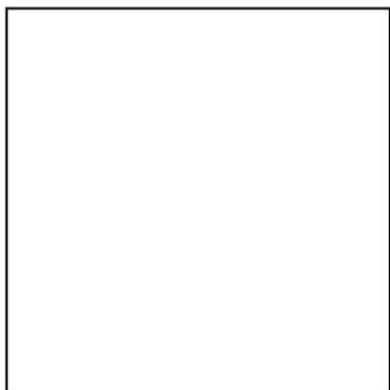

## IL RETTANGOLO

Att: colora il rettangolo.

Ob: conoscere la forma rettangolare.

## LE FIGURE

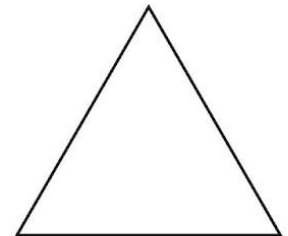

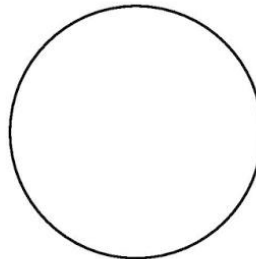

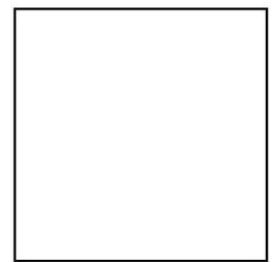

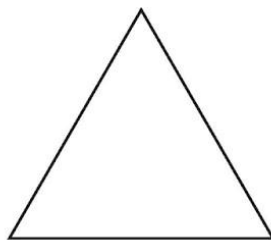

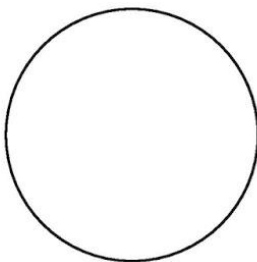

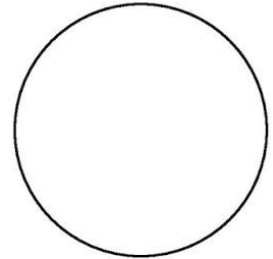

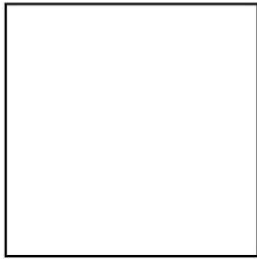

Conoscere le principali figure geometriche.

Colora le figure.

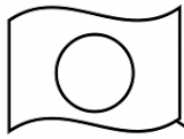

Sai dire come si chiamano queste figure?

## LE FIGURE

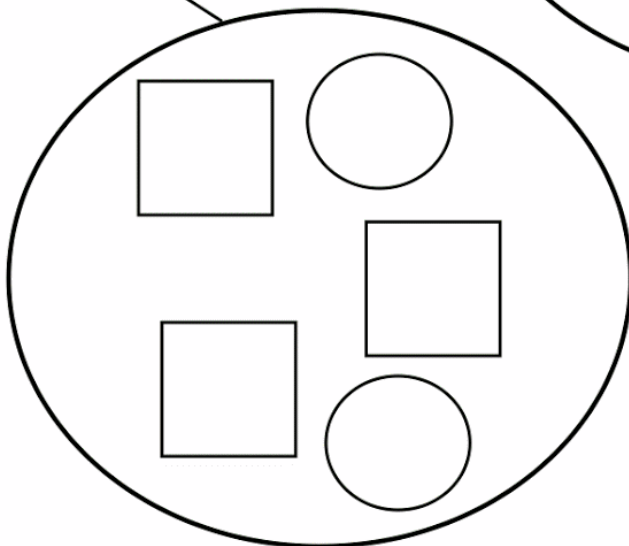

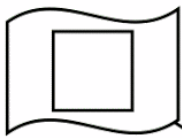

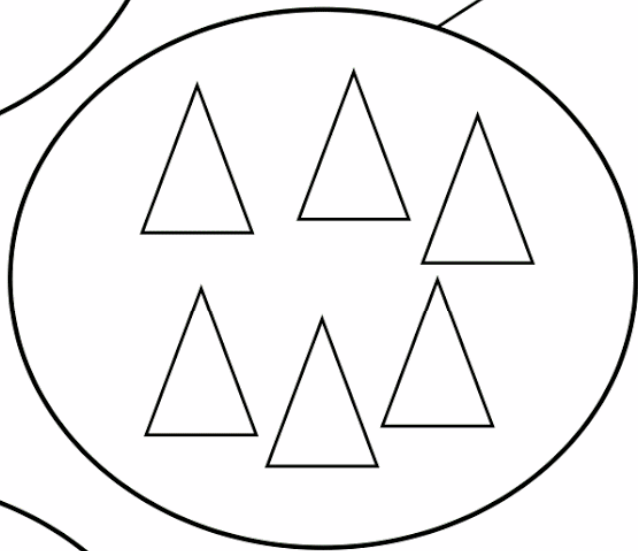

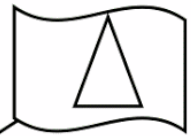

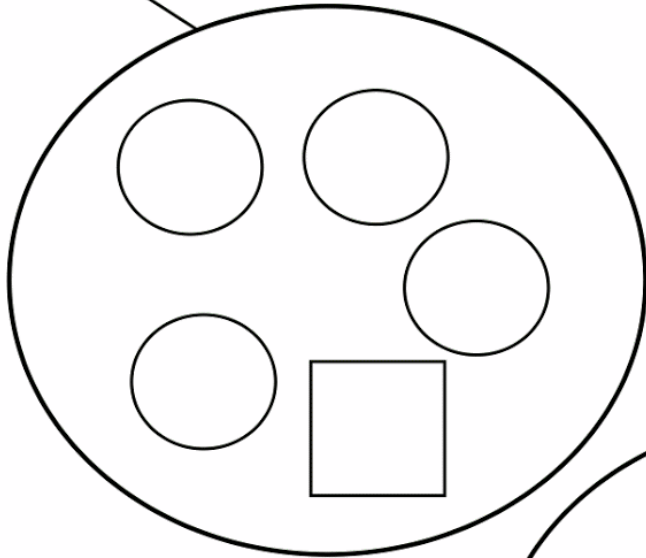

Conoscere le principali figure geometriche.

Colora di giallo i cerchi, di rosso i quadrati, di verde i rettangoli e di blu i triangoli.

## CERCA L'INTRUSO...

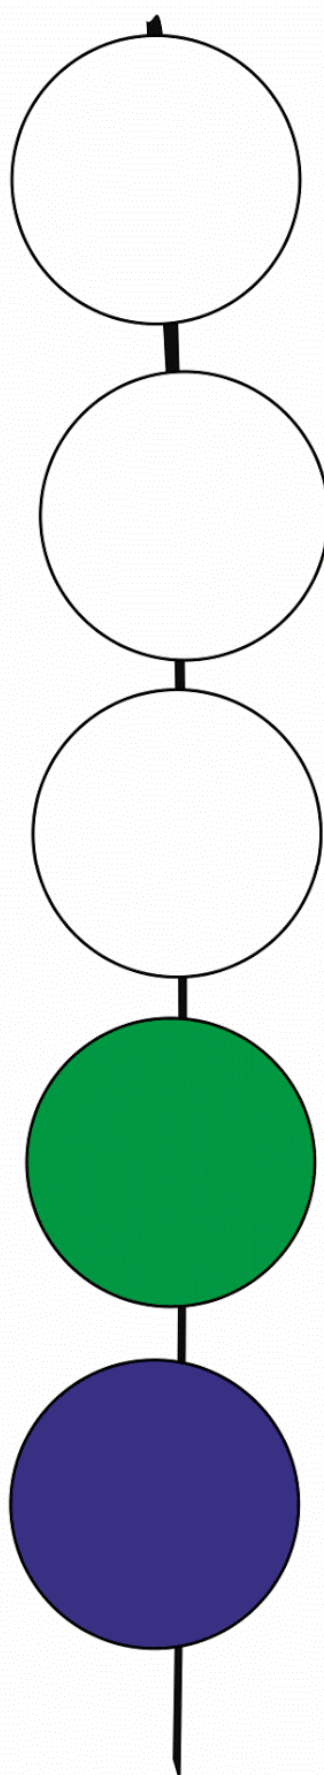

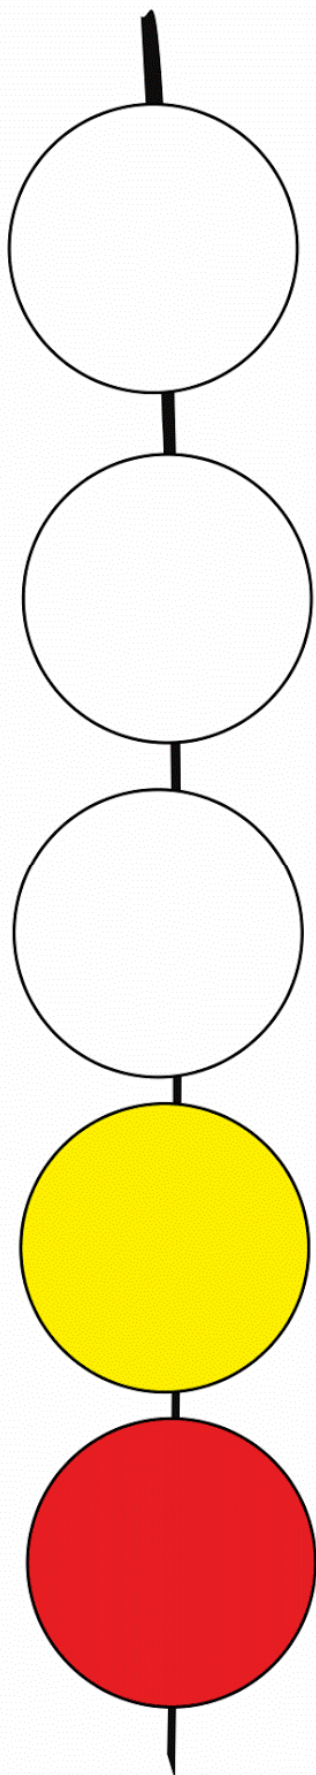

**Ragione e gioco**

Attività: osserva gli insiemi e fai una croce sugli intrusi
